### Layer Composition

<p><b>Wool</b> - A natural, non-toxic fibre made from sheep's hair, and it is one of the most breathable natural fibres available.</p>	<p><b>Cotton</b> - One of the oldest, most proven and durable fibres in existence today. It does not require chemical enhancement to work its magic.</p>	<p><b>Horsehair</b> - The hollow fibre transports humidity away from the body and ensures a comfortable micro-climate. Very resilient by nature.</p>
