

TIGHT TOP

COMFORT LEVEL: FIRM

15"

FABRIC

Crown-embossed **Tencel™** fabric, sourced from natural plant fibers, surrounds the mattress in subtle luxury, offering exceptional airflow, moisture control, and a silky soft touch for an elevated sleep experience.

QUILT

¾" Soft **Rebound By ECOTEX™** Cooling Gel foam offers a cooler sleep with luxurious comfort, breathability, and superior resiliency.

New Zealand Sheep Wool naturally absorbs and releases moisture to help regulate body temperature. Its hypoallergenic properties offer natural resistance to dust mites, mold, and fungi.

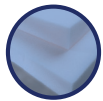

UPHOLSTERY

1" Firm **Talalay Latex** is naturally antibacterial, durable, and resilient, providing comfort and pressure relieving support as well as offering a cleaner sleep environment.

½" **Copper Infused Memory Foam** provides antimicrobial protection for a cleaner sleep environment, while also offering pressure relief and temperature regulation for sleep that helps you stay fresh and relaxed.

1" Firm ECOTEX™ Extended Life High Density Foams provide solid support and superior comfort.

1" 1400 Micro Coil provides pressure point relief and added comfort.

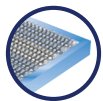

Fiber Pad Insulator System reduces noise and provides protection between coils and upholstery layers.

CORE

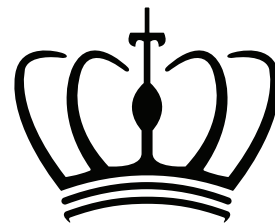

5-Zone 8" 1,200 count Pocket Coil provides pressure relief and eliminates motion transfer for an undisturbed rest. Firmer coils provide extra support in the lumbar area where you need it most.

Foam Encased Solid Sleep Edge - stable foam edge support provides edge-to-edge sleeping surface, and extra stability for the coil to reduce sagging.

Fiber Pad Insulator System provides stable support for the coil system.
