

TIGHT TOP

COMFORT LEVEL: FIRM

16"

FABRIC

Meticulously handcrafted, inner tufting secures each layer in timeless elegance, enhancing longevity while gracefully compressing and sculpting the sleep surface into a haven of tailored, elevated comfort.

Crown-embossed **Tencel™** fabric, sourced from natural plant fibers, surrounds the mattress in subtle luxury, offering exceptional airflow, moisture control, and a silky soft touch for an elevated sleep experience.

QUILT

1½" Soft **Rebound By ECOTEX™** Cooling Gel foam offers a cooler sleep with luxurious comfort, breathability, and superior resiliency.

Camel wool's natural insulating properties provide both warmth and breathability, ensuring a perfect balance for all-season comfort.

New Zealand Sheep Wool naturally absorbs and releases moisture to help regulate body temperature. Its hypoallergenic properties offer natural resistance to dust mites, mold, and fungi.

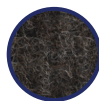

UPHOLSTERY

1" Soft **Copper Infused Talalay Latex** delivers naturally antibacterial protection, lasting durability, and resilient support, offering ultimate comfort and promoting a cleaner sleep environment.

1½" **Copper, Graphite, and Silver Infused Memory Foam** provides antimicrobial protection and moisture wicking, with improved pressure distribution and hypoallergenic comfort for sleep that helps you stay fresh and relaxed.

1" **Taillok** blends natural horsehair and latex to encourage continuous airflow and breathability, while its pliability provides pressure relief, fostering a comfortably cool and revitalizing sleep.

1" Extra Firm High Density **ECOTEX™** Extended Life Foam provides solid support and comfort.

1" 1400 Micro Coil provides pressure point relief and added comfort.

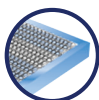

Fiber Pad Insulator System reduces noise and provides protection between coils and upholstery layers.

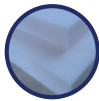

CORE

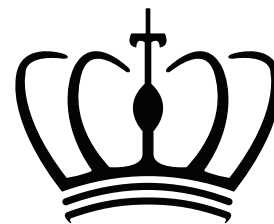

5-Zone 8" 1,200 count Pocket Coil provides pressure relief and eliminates motion transfer for an undisturbed rest. Firmer coils provide extra support in the lumbar area where you need it most.

Foam Encased Solid Sleep Edge - stable foam edge support provides edge-to-edge sleeping surface, and extra stability for the coil to reduce sagging.

½" Extra Firm **ECOTEX™** High Density Foams provide solid support and comfort.
