Features

- Hand-tufted for multi-layer density to help reduce body impressions and retain product integrity.
- Wool whisks away moisture to ensure a dry comfortable sleep.
- Wool rosettes
- Available in Zip-n-Link
- Designer tape edge & fabric
- Cotton is natural and hypoallergenic, making it a great choice for sensitive sleepers. Durable and resilient, it helps maintain comfort.
- Dunlop latex is a durable, natural foam that offers firm support, breathability, and long-lasting comfort while helping maintain proper spinal alignment.
- 100% Dunlop latex is the most resilient & breathable natural latex.
- Airbond, a blend of wool and cotton, provides breathable comfort, natural temperature regulation, and added durability to help maintain a fresh and supportive sleep surface.
